7:45 pm – Commission Business

Reed/Garnett motioned to approve the 10/15 **minutes**; motion passed unanimously.

Ms. Reed passed around the worksheet of edits for the **Walking book**. The board reviewed the tasks left to be completed and redistributed the outstanding items. A deadline of completing the tasks was set by agreement for December 3.

Mr. White reported on the **Cookes Hollow** project that some expansion into the soccer field has been proposed to Arlington Catholic upstream of the project, but this is still being negotiated.

White/Reed motioned to approve the 2010 meeting **schedule**; motion passed unanimously.

The board discussed the work at the Conservation land at **Washington and Mohawk St**. The installation of curbing is fine. Mr. White and Ms. Garnett installed a Conservation Land sign, but a No Dumping sign is also needed. Ms. Beckwith and Town Engineer Mike Rademacher will inspect the site when the roadwork is completed and compile a list of restoration needs on the parcel. Ms. Garnett also reported on dumping at the Turkey Hill land on Washington St, a sign at this spot would also be prudent.

Mr. Stevens asked that the tenant of **70 Bow St** be contacted regarding his proposal to install landscaping. The board would like a map of the site showing jurisdiction.

The work at the **Brattle St bridge over Mill Brook** has begun.

Meeting adjourned at 9pm.
Respectfully submitted,
Corinna Beckwith
